

HERPS Venomous Liability Waiver

All attendees must fill out form to be allowed into the event

All venomous animals are marked as such, in secured enclosures, and will not be allowed to be carried around the show. Each vendor is responsible for their animals, and they have discretion on sales. At no time will any venomous animals be allowed to be removed from their enclosures while at the show.

I hereby release NightGlow Reptiles LLC, Houston Exotic Reptile and Pet Shows – HERPS, the promoters Shawn Gray and Lori Gibson, Montgomery County, The State of Texas, and The Lone Star Convention and Exposition Center from all liability regarding bites, injuries, accidents, or loss of life as a result of purchasing a venomous animal. I also hereby confirm that I have been advised that there are venomous animals on display, and for sale, and they are clearly marked and in a specific section of the expo. All venomous buyers must be aged 18 or older, and the decision to sell an animal is the responsibility of each vendor. HERPS will side with the vendor on any and all issues in relation to sales decisions.
